

Registration Form

TEQIP III Short Term Course

on

Fluid Mechanics and Application of Advanced Surveying Instruments

16-20 September 2019

Name:.....

Gender:.....Age.....

Designation:.....

Department:

Organization:

Address:

Tel/Fax.....

Mobile No.:

E-mail:

Accommodation: Required / Not Required

(Signature of the Applicant with date)

Date:

Note: Photocopies of this form can be used.

Vision of the Department

To build up a center of academic excellence by shaping & bringing out competent graduates possessing demand driven technical skills with ethical values.

Mission of the Department

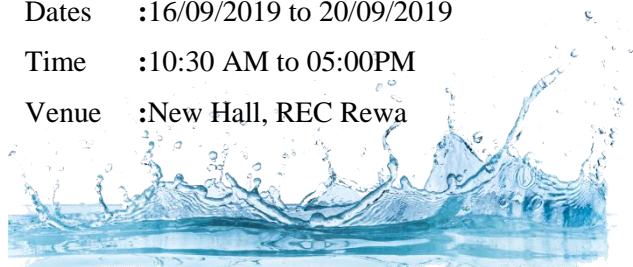

- To facilitate the department with recent technologies for teaching and learning processes.
- To equip engineering graduates with fundamental engineering knowledge technical skills and inquisitive attitude.
- To produce professionals having team spirit and ability for providing technological solutions to field problems.
- To make the students determine for their social responsibilities towards society

Workshop Dates and Venue

Dates :16/09/2019 to 20/09/2019

Time :10:30 AM to 05:00PM

Venue :New Hall, REC Rewa

**5-day
Workshop**
on

“Fluid Mechanics and Application of Advanced Surveying Instruments”

(16th to 20th September 2019)

Under the Twinning Activity with Mentor Institute:

**Sardar Patil College of
Engineering, Mumbai**

Sponsored by
NPIU, Noida

NPIU

National Project Implementation Unit

Organized by Mentee Institute:
Rewa Engineering College, Rewa
Department of Civil Engineering

About REC, Rewa

Rewa Engineering College Rewa (MP) formerly known as Government Engineering College Rewa, was established by the Govt. of MP in 1964. It is presently associated with Rajiv Gandhi Technical University Bhopal, Madhya Pradesh and is approved by the AICTE. REC, Rewa offers B.E. degree courses in five disciplines namely - Civil, Mechanical, Electrical Electronics and computer science. Among above, the Civil Engineering department is the leading department of the institute with dedicated faculty who possess the Ph.D. degree from premier institute like IITs and NITs.

About Civil Engineering Department

The Department was started in 1964 with the inception of the Institute. Our effort is to provide best facilities to our students so that they may compete with the modern Civil Engineering World.

Theme of the Workshop

The workshop aims at providing platform for students to explore the vast potential of advancements in the field of civil engineering especially for surveying, Fluid Mechanics and hydraulic engineering. The conference showcases keynote lectures and specific facts by eminent personalities from the renowned institute. Mutual discussions and presentations would help in the development of perception of the future Civil Engineers. All civil engineering students are invited to attend.

Profile of the speaker

Dr. Ajay R. Kambekar. is Professor in department of civil Engineering, Sardar Patel College of Engineering, Mumbai. He pursued his Ph.D. from IIT Bombay. He has more than 25 years of teaching experience. He has published various research papers in prestigious international and national journals. He is the life time member of various Government and professional organizations like Indian Society for Technical Education, Indian Water Works Association, Indian society for Hydraulics etc

Organising Committee

Patron:

Dr. B.K. Agrawal,
Principal, REC Rewa

Dr. P. H Sawant
Principal SPCE Mumbai

Coordinators:

Mr. Lavkush Gupta
Dr. Sandeep Choudhary
Dr. Jitendra Gurjar
Mr. Himanshu Dixit

Chairman:

Dr. R.P. Tiwari,
TEQIP coordinator & HOD
Civil, REC Rewa

Dr. Rahul T. Dahatonde
TEQIP coordinator, SPCE
Mumbai

Program Committee:

Mr. Anoop Tiwari
Mr. Vinay Sharma
Mr. Bicky Agarwal
Mr. Harshit Nema
Mr. Ankit Sachdeva
