Tue, 4 th Dec 2018	9.00 am	12.00 noon	3.00 pm
Electrical Engg.	Final Year	Third Year *	Second Year
	9.00 am Thu, 6 th Dec 2018 9.00 am	Sun, 2 nd Dec 2018 12.00 noon Thu, 6 th Dec 2018 12.00 noon	Sun, 2 nd Dec 2018 9.00 am

Venue: Lab 58 and Lab 107

* T Y B Tech Electrical Students can attend test in any of the two slots.

This Employability Assessment Test provides accurate assessment of following skills and competencies:

- English Comprehension,
- Logical Reasoning ,
- Quantitative Ability,
- Personality and
- Domain knowledge

On the basis of this test, a detailed feedback is shared with the student. Using this feedback report, the student gets an idea about his / her employability skills and prepare accordingly for campus placement. **The fees for this Test would be borne by the Institute under the TEQIP Project.**

It is compulsory for all students to attend and perform well in this test, if they wish to enroll for placements or apply for higher education. The offer letters of placed final year students would be released only after they appear for this test and perform well in the same.
