

**Date:** 8<sup>th</sup> Sept 2020

**NOTICE: Pre-placement Training B. Tech. (2021 Batch) Students**

As a part of TEQIP-III Project, Institute is organizing 50 hrs of Pre-placement Training for 2021 Batch students from 10<sup>th</sup> to 30<sup>th</sup> Sept 2020 [excluding the dates of Test – 1 examination]. The classes will be held every day from 5.00 pm to 7.00 pm in online mode. The date-wise schedule and information regarding joining of online lectures will be shared via email through class Placement Coordinators. The detailed contents of this training are attached with this notice.

After the training, students will be provided with the 04 mock tests and online study material. **If any of the TY B. Tech. (2022 batch) students are interested, they can also participate in this training.** The entire fee of this training will be sponsored by the Institute under TEQIP-III Project.

It is mandatory for all the final year students to attend all the sessions of the Placement Preparatory Training if they want to apply for campus placements or higher studies.
