### **Minutes**

#### **Agenda 1: To discuss preparation of NBA eSAR of PG program**

The institute will be submitting its eSAR to NBA by January 2022. Following key parameters of the prequalifier document were discussed for the program 'M.Tech. in Construction Management'.

- Data regarding faculty details for past 3 years needs proper verification.
- Student performance and placement data shall be compiled.

Resolution: The prequalifier document shall be prepared taking note of the discussion points.

#### **Agenda 2: To review AQAR for AY 2020-21**

The institute has prepared AQAR for AY2020-21. The AQAR was reviewed by the committee and following comments were received.

- The total number of students shall include UG+PG+PhD students.
- The internship data (1.3.4) shall be obtained from students. Also the feedback reports (1.4.1) shall be made available on website.
- The examination reforms (2.5.3) shall be articulated more clearly.
- The list mentors (2.3.2.1) shall be attached.
- The seed money data (3.1.2) shall be updated to include all sources of funding.
- The number of PhD students shall be verified.

SPCE

- Library data needs to be updated.
- The alumni association data shall be reviewed and updated if necessary.
- eGovernance features shall be updated to include details about ERP system.
- More details about energy conservation and waste management shall be added.

Resolution: The AQAR document shall be revised taking note of the discussion points.
