

On the occasion of women's day, a women's only alumni meet (online) was organized by SPCE alumni committee on 13th March 2022 at 9:00 am IST.

23 women alumni and ladies faculty members attended the meet.

All the participants were welcome by Ms. Akshata Deshpande from Civil Engineering department.

Principal Dr. Murudi updated all alumni about current status of the institute. HOD (Electrical) Dr. Anupa Sabnis informed all the alumni about progress of the institute through TEQIP. She also explained importance of the interaction with alumni during college activities, during committee visits like NAAC, NBA, etc. indicating the fields where alumni can contribute.

Mr. Shashi Banka (President, SPCE-SPIT Alumni Association) detailed about activities of SPCE Alumni Association in collaboration with the institute.

Mrs. Kshitija Nadgouda from Civil Engineering Department presented the video of the college campus to get a feel of the current college premises.

Introduction session for the alumni along with their feedback was held after that.

Vote of thanks was presented by Mrs. Vidyullata P. Joshi from Electrical department.
