

ACTIVITY REPORT

Name of the Course : Financial Literacy

Course Co-ordinator : AMOGH GOTHOSKAR

Number of Sessions Conducted : 35 HOURS

The course was successfully conducted over a period of around 1.5 months from 27th January, 2021 to 5th March, 2021 with 33 students from across the 3 branches clearing all the 3 assessments. Owing to the Coronavirus Pandemic, all the Lectures were engaged on the Google Meet Platform. The initial sessions started with Basics of Economics, Accounting & Financial Planning and then went on to even cover some of the comparatively difficult topics such as Financial Modelling, Financial Instruments & Markets, Income Tax & Financial Statements. The participation & inquisitive level of students was found to be extremely high inspite of the lectures being conducted on the online platform which added a lot of value to the sessions. The students were assessed thrice during the course through two quizzes and an individual presentation so as to evaluate their understanding. All the students were extremely happy at the end of the Course as they are now equipped with the basic knowledge of Finance which will surely take them a long way in their professional as well as personal life & some of them have even suggested to design an advanced level Course for the same.
