Subject: Invitation to Serve as a Subject Expert on the Board of Studies - Department of Civil Engineering

Dear sir,

Greetings from Anjuman-I-Islam's Kalsekar Technical Campus, School of Engineering & Technology.

Our institute is approved by the All-India Council for Technical Education (AICTE), recognized by the Directorate of Technical Education (DTE), Maharashtra, and accredited by NAAC. We are proud to share that the University Grants Commission (UGC), followed by the University of Mumbai, has granted our institute Autonomous Status for a period of five (5) years, effective from the academic year 2025-26 to 2029-30.

In light of this achievement, we are pleased to invite you to serve as a distinguished Member of the Board of Studies (BoS) for the Department of Civil Engineering at our institute. As a BoS member, your knowledge and expertise will be instrumental in shaping our academic and research initiatives. We seek your guidance and contributions towards:

- Preparation of syllabi for various courses
- Suggest methodologies for innovative teaching and evaluation techniques;
- Suggest a panel of names to the Academic Council for appointment of examiners;
- Coordinate research, teaching, extension and other academic activities in the department/college.

Your valued contributions will help ensure that our program remains relevant, forward-thinking, and aligned with global standards of technical education. We are confident that your involvement will significantly enhance our efforts to nurture skilled and innovative engineering professionals.

We kindly request you to confirm your acceptance of this invitation.

Sincerely

(Dr. Fauwaz Parkar)

HoD, Civil Engineering
