Subject : Invitation as a Guest Speaker for ISTE approved One Week STTP on "Pioneering Advances in Civil Engineering (PACE – 24)

Respected Sir,

We are cordially inviting you on behalf of the Department of Civil Engineering, Datta Meghe College of Engineering as a Guest Speaker for ISTE approved One Week Short Term Training Program on "Pioneering Advances in Civil Engineering (PACE – 24) to be held from 23rd September to 28th September 2024. To collaborate with engineering firms and organizations, we are organizing a series of expert sessions with insights from academicians and professionals like you who have extensive experience and expertise in key areas of civil engineering. This hands-on experience can bridge the gap between theory and practice.

Given your renowned expertise and contributions in the field of Civil Engineering, we would be honored to have you conduct a session for the audience. The session aims to cover the latest developments, practical applications, and future trends in Civil Engineering, thereby enriching students and professionals in understanding and preparing themselves for their research and career.

As per our recent telephonic conversation, details of the proposed session are as follows:

- **Date:** 23/09/2024
- **Time:** 10.00 am -12.00 pm
- **Duration:** 2.00 Hrs.
- **Audience:** Faculties from Engineering and other Technical Institutes, Industry Experts, Research Scholars, PG and UG students.

We believe your valuable session would greatly benefit our audience by providing them with valuable knowledge and inspire them to pursue excellence in their studies and future careers.

Thank you for considering our request and we are looking forward for your session.

Best regards,

Dr. (Mrs). Smita B. Patil
