Inc – NEC's Innovation Incubation Centre, an Incubator supported by Maharashtra State Innovation Society, Govt. of Maharashtra is one of the very few Incubators from the Industry and working for the Industry. Nashik Engineering Cluster is a fully self sustaining Cluster established in 2007 by DIPP (now known as DPIIT) Ministry of Commerce & Industry, Govt. of India in association with Nashik Municipal Corporation & Nashik Industrial Cooperative Estate. It has world class infrastructure for Product Development, Testing, Calibration, Skill Development and Business Promotion for supporting industry and creating industry ready manpower. In 2019 it has added Innovation and Entrepreneurship promotion: a new key focus area as Incubator in Maharashtra.

This is to certify that following team has participated in Final round of Idea Pitching in our Waste 2 Wealth Ideathon on 19th Aug. 2021 and have been declared **1st Runner up of the Ideathon**.
