COC : Workshop (CLASH OF CONCRETE)

Organised by CEA,
In Association with Student Council

-“Clash of Concrete” Workshop organised for First Year and second year Civil students, under the guidance of Dr. Anil Ghadage sir and Prof. Akshata Deshpande ma'am along with the assistance from TY Civil students.

-Aim of this workshop is to make everyone familiar to Mix Design Procedure and how to actually cast the concrete cubes.

Mix Design specifications
along
with IS codes

Are
explained.

Two Cubes of M25 grade were casted, one with using admixture and one without using admixture.
