Subject: Pre-Acceptance letter – SF - Partner country

Dear Divya SHAH,

I have the pleasure to inform you that you have been accepted as a full-time self-funded student of the Erasmus Mundus EMARO +, "European Master on Advanced Robotics +", during the sessions 2015/2016 and 2016/2017. The 2015/2016 academic year will be spent in University of Genoa (Italy) and the 2016/2017 academic year in Ecole Centrale de Nantes (France). A double degree issued by these two mentioned institutions will be awarded if you are a successful candidate.

Your studies will start at University of Genoa (Italy) on September 2015. The definitive end of the two years is expected on July 31, 2017.

The language of instruction and examinations is English. Local language and culture courses are part of the master study programme.

In order to confirm your acceptance for joining the programme, you must sign and send back to Anne-Laure FREMONDIERE (anne-laure.fremondiere@ec-nantes.fr) (and copy to Philippe.Martinet@irccyn.ec-nantes.fr) by scanned copy

- The enclosed student agreement
- The enclosed financial agreement

and pay a first instalment of €4,500 before May 31, 2015.

If you answer after April 10, 2015 the proposed mobility scheme may be changed by the EMARO + consortium, as the repartition equity between all the institutions must be respected.

Thank you for your interest in EMARO+.

Best regards

Philippe MARTINET
