## CONGRATULATIONS TO PROF. SATISHKUMAR BAROT

EdTech Start-up **SEAM**, founded by **Prof. Satishkumar Barot** Assistant Professor of Mathematics, has received a sanction of Rs 30 Lakh from IFCI Venture Capital Ltd (A Government of India Undertaking) under Ambedkar Social Innovation Incubation Mission (ASIIM)

SEAM Mobile Application is the digital book store, which can be used as an ICT tool for teaching learning. It is developed with the overall aim of increasing the effectiveness of teaching and improving students' learning.

Vision of startup is to make students all over the world Atmanirbhar by bringing to them world class self-study material / eBooks at the most affordable price

### About the proposed project

To develop a digital Platform where Author can publish and sell their Academic eBooks Directly to the Readers (students) without involvement of any intermediary.

### Advantages of SEAM APP to the students

- Study Anywhere and Anytime
- Students can raise their queries anytime and will be reverted within 48 hours.
- SEAM works off-line as well...So students can study without interruptions.
- Single App for Any Number of Subjects.
- Premium App WITHOUT ANY ADVERTISEMENT. So, No Distraction while studying
- Available on Google Play Store as well as Apple's App Store. 8500+ download

## **Advantages of SEAM App to the Authors/Professors**

- No restriction on number of pages so that Authors can give detailed explanation of each topic/chapter/subject.
- Authors can edit contents in real time so that users get latest, error free contents.
- Contents of the eBooks available on SEAM App can be directly used as PPT for ONLINE TeachingLearning.
- SEAM App is also useful to teach effectively OFFLINE.
