

## NEED OF COURSE

- The increasing requirement for technical expert who can communicate effectively has generated the need to diversify the role of teaching faculty in technical and engineering institutes.
- Effective Communication and interpersonal skills is considered as a distinguishing characteristic of successful organization and the role of faculty occupying strategic positions.
- This course will fulfill this need by focusing on paradigm shifts and new roles that technical teachers undertake as a part of outcome based education.
- We are offering this course for faculty, high profile educators; management consultants from industry and training institutes, and government officials.
- This course is thus designed to give participants a holistic, integrated and contemporary view of the aspects of modern and advanced communication concept, techniques and interpersonal skills.

## PROGRAM OBJECTIVES

- To compete with the pace of change is becoming faster thus leading to acquirement of “Effective Communication and Interpersonal Skills”.
- To keep pace with the ever-changing trends, expectations in terms of quality, timeliness of output, strategies for change, knowledge about the ever increasing demands of the society and workplace managing stress and time.
- To balance the work and personal life and keeping above in view the program has been designed to provide inputs for effectiveness, managerial level leadership, opportunity for sharing experiences in groups, Develop positive attitude towards the work culture and gain insight into the expected ethical behavior at the work place.
- To learn about the source and nature of stress and how to manage it effectively and remain healthy to improve work performance.

## REGISTRATION PROCESS

- One can register for the course as per the specified process of AICTE Training and Learning (ATAL) Academy.
- Visit <https://www.aicte-india.org/atal> for registration
- For certificate, attendance and passing of Examination is mandatory.

## RESOURCE PERSONS

The program will be conducted by eminent speakers from academia and industry.

## COURSE SCHEDULE

Duration : 06<sup>th</sup> – 10<sup>th</sup> December 2021  
Timing : 09 am to 5 pm

## COURSE OUTCOMES

- Developing Interpersonal and Communication Skills
- Communication: A key to success
- Time management at workplace for increased productivity
- Group Dynamics and Team Building for increased performance
- Stress Elimination strategies
- Developing Values and Positive Attitude at work place

All India Council for Technical Education  
(AICTE) Training and Learning (ATAL)

## ABOUT THE INSTITUTE

Sardar Patel College of Engineering (SPCE) under the management of the Bhartiya Vidya Bhavan, was founded by Kulapati Dr. K. M. Munshi. It was established to meet the growing demand for engineering talent.

The foundation stone of the college was laid on 17th September 1961 by Shri. Y. B. Chavan (the then Chief Minister of Maharashtra who later became the Defence Minister of India.)

The college was inaugurated by the first Prime Minister of Independent India, Pandit Jawaharlal Nehru in 1962. The college is dedicated to Sardar Vallabhbhai Patel, an eminent nation builder of independent India.

The college is autonomous and affiliated to the University of Mumbai for the full-time degree, post graduate, and research programs. The institute has set high standards for aspiring engineering students and also meets the need of quality education in the challenging world of business.

Over the last 50 years the college has gained an excellent reputation in the field of Technical Education. SPCE is one of the few colleges that have received Grade 'A+' rating for its aided courses from the Govt. of Maharashtra which certifies the spirit of excellence that the institute has symbolized and always practiced. Institute celebrated its golden jubilee in the year 2012.

## CIVIL ENGINEERING DEPARTMENT

Civil Engineering Department of Sardar Patel College of Engineering commenced in 1962. The department offers one undergraduate program (B. Tech in Civil Engineering), two postgraduate programs (M. Tech. in Construction Management and M. Tech. in Structural Engineering and a Ph.D. program.

The B. Tech. (Civil Engineering) program was awarded accreditation (tier-I) by NBA for period of AY2017-18 up to 2020-21. The M. Tech. (Construction Management) program was awarded accreditation for period of AY2017-18 up to 2019-20. The application for automatic extension of M. Tech. programs' accreditation till AY2020-21 is in process.

The department has modern infrastructure with well-equipped laboratories and computational facilities with up-to-date hardware and software resources. The well qualified and experienced faculty of the department imparts knowledge to the students in the fundamental and applied aspects of Civil Engineering courses by adopting conventional as well as the latest teaching and assessment tools.

## OBJECTIVES OF AICTE ATAL ACADEMY

- To set up an Academy which will plan and help in imparting quality technical education in the country
- To support technical institutions in fostering research & innovation and entrepreneurship through training
- To stress upon empowering technical teachers & technicians using Information & Communication Technology
- To utilize SWAYAM platform and other resource for the delivery of trainings
- To provide a variety of opportunities for training and exchange of experiences such as workshops, Orientations, learning communities, peer mentoring and other faculty development programs.
- To support policy makers for incorporating training as per requirements

## PATRON

**Dr. Sesha Iyer**  
Chairman, BoG,  
Sardar Patel College of Engineering

**Dr. Abhay Wagh**  
Director, Directorate of Technical  
Education, Maharashtra

**Dr. M. M. Murudi**  
Principal In-charge,  
Sardar Patel College of Engineering

## ORGANIZING COMMITTEE

|                      |                       |
|----------------------|-----------------------|
| Dr. M. M. Murudi     | Principal In-Charge   |
| Dr. Santosh Rane     | Dean Academics        |
| Dr. Kiran Bhole      | Dean (R&D)            |
| Dr. Shyamlee Solanki | Course Coordinator    |
| Dr. Hansa Jeswani    | Course Co-Coordinator |
