Brief Introduction of Organizations

SPCE: Bharatiya Vidya Bhavan's Sardar Patel College of Engineering (SPCE) was established in 1962 as a Government Aided Engineering College. The institute is Autonomous and permanently affiliated to University of Mumbai. It has received Grade "A" rating from Govt. of Maharashtra and has maintained a proud tradition of excellent academic records by securing high ranks, gold medals and other awards in the University Exams. Institute offers BTech, MTech and Ph.D. Programs in Civil, Mechanical and Electrical Engineering

SAEINDIA WS: SAEINDIA is India's leading resource for mobility technology. As an individual member-driven society of mobility practitioners, the ownership of SAEINDIA wrests with its members who are Individuals from the mobility community, which includes Engineers Executives from Industry, Government Officials, Academics and Students. SAEINDIA is a strategic alliance partner of SAE International registered in India as an Indian nonprofit engineering and scientific society dedicated to the advancement of the mobility industry in India. SAEINDIA Electronics Forum" promotes work related to Electronics in Automotive Domain.

IIIE: The Indian Institution of Industrial Engineering, founded in 1957, is a non-profit organization for the profession of Industrial Engineering in India consisting of members specialized in the areas of Work Study, O & M., Production Planning & Control, Materials Management, Value Engineering, PERT/CPM, Operations Research, Financial Management, Statistical Quality Control etc. and other emerging disciplines.

Learning Objectives:

- To reinstate the rich cultural legacy and human values of which we are the custodians.
- To focus on professional ethics which are broader indicators of desirable actions via undesirable actions.
- To lay down broader guidelines of values and ethics for internal and external stakeholders.
- To suggest operational guidelines for value-based and ethical practices in the higher educational institutions leading to implementation and monitoring.

Session Outline

- What are UHV
- Expectations of students and parents
- Gap in between expectations and reality
- Role of values to fulfill the gap
- Need of human values
- Role of human values in achieving the objectives of life
