NOTICE

We are pleased to inform all the students of the institute that with rigorous follow up from our Training & Placement Office, our banker, Indian Bank has decided to extend financial assistance to our students as a part of industry academia initiatives. Every year Indian Bank will give 3 laptops (1 for each B.Tech Programme) to the toppers of First Year B.Tech who have cleared all the subjects in Semester I and II in the first attempt (without any re-examination)

All the students of First Year B.Tech are hereby advised to study sincerely and take the benefit of this initiative. On this occasion we also extend our sincere appreciation to the Training & Placement Office of our institute for the efforts they have taken.
