## National Level Bootcamp BITE'21

Greetings from Sardar Patel College of Engineering Mumbai !!!

We are pleased to announce that SPCE has organized a National Level Bootcamp called '**BITE'21**' in association with Elite Techno group. This series is aimed to present real-life experiences on how Experts used technology and skills to master their domains and beat the competition.

Free technical sessions to equip college students with an understanding of the industry and technical know-how.

**The details of National Level Bootcamp BITE'21 are as follows:-**

- **Automotive Technologies: 9th - 10th July**
- **Battery Pack for EV: 16th - 17th July**
- **Python-based Data analysis and visualization: 23rd - 24th July**
- **Machine learning/AI: 30th - 31st July**
- **No Registration fees - Free of cost**
- **Internationally accredited certificate**
- **Patron: Dr. M. M. Murudi, I/C Principal, SPCE, Mumbai.**
- **Faculty Advisor - SPCE Racing - Dr. Santosh Rane, Dean Academics, SPCE Mumbai**

We would request you to please share the link with Industry Persons, Faculty members and students. We look forward to seeing you at the session.
