| 71             | Rajesh Balkisan Ajmera       | Electrical    |
| 72             | Alok Kumar Yadav             | Electrical    |

Institute takes pride in congratulating all these students.

The percentage of students qualifying GATE from our institute, 46.75%, is much above the national average of 17.82%. It is result of the consistent efforts put up by the institute. The institute had organized 200 hours of GATE training and also reimbursed GATE exam registration fee to all the 154 students, under TEQIP-III Project. I appreciate the efforts taken by GATE Coordinator Prof. Ushma Shah and TEQIP Coordinator Dr. Rahul Dahatonde to organize the GATE Training.

I appeal to all the 2022 batch students to take inspiration from above students and prepare well for GATE-2022.
