TEQIP – III Sponsored Webinar on

"NEP-2020: Effective Governance & Leadership in HEI"

Date: Saturday, 27th Feb 2021 Timing: 11.00 am

Join the webinar at: https://meet.google.com/vso-oiou-gjc

Jointly Organized by

Bharatiya Vidya Bhavan's
Sardar Patel College of Engineering
Bhavan's Campus, Andheri (W),
Mumbai – 400058

Rewa Engineering College
University Road, Rewa,
Madhya Pradesh, 486 002

Introduction

The National Education Policy (NEP) 2020 is the first education policy of the 21st century and aims to address the many growing developmental imperatives of our country. This Policy proposes the revision and revamping of all aspects of the education structure, including its regulation and governance, to create a new system that is aligned with the aspirational goals of 21st century education, including SDG4, while building upon India's traditions and value systems.

This NEP-2020 lays particular emphasis on the fact that the teacher must be at the centre of the fundamental reforms in the education system. The new education policy must help re-establish teachers, at all levels, as the most respected and essential members of our society, because they truly shape our next generation of citizens. It must do everything to empower teachers and help them to do their job as effectively as possible. The new education policy must help recruit the very best and brightest to enter the teaching profession at all levels, by ensuring livelihood, respect, dignity, and autonomy, while also instilling in the system basic methods of quality control and accountability.

This webinar will discuss the role of teachers in HEIs in ***academic leadership*** and ***good governance*** in light of NEP-2020.

Resource Person

This webinar will be conducted by **Dr. N. C. Shivaprakash** from Dept. of Instrumentation & Applied Physics, **Indian Institute of Science, Bangalore**. Dr. Shivaprakash has worked on various academic and administrative assignments at National and International level with various Institutes like NITs, IITs, UGC, NBA, NAAC, NPIU, the World Bank, etc. He has also been member of BoS, Senate, BoG at many Institutes in India. Dr. Shivaprakash is associated with SPCE, Mumbai as ***Academic Advisor***.

All the faculty members from SPCE Mumbai, REC Rewa and other TEQIP Institutes are invited to attend this webinar.

About SPCE, Mumbai

BVB's Sardar Patel College of Engineering, Mumbai is a Govt. aided autonomous engineering college established in 1962. SPCE stands apart as a symbol of quality in engineering education. It has evolved over the years into a citadel of engineering thought and learning. This has been possible because of the dedication of its competent faculty, committed staff members, its mission to influence the quality of engineering education in industry and the ability to bridge the gap between an academic institution and a challenging business world.

About REC, Rewa

Rewa Engineering College, Rewa (MP) formerly known as Government Engineering College Rewa, was established by the Govt. of MP in 1964. It is presently associated with Rajiv Gandhi Technical University Bhopal, Madhya Pradesh and is approved by the AICTE. REC, Rewa offers B.E. degree courses in four disciplines namely - Civil, Mechanical, Electrical and Electronics Engineering. REC, Rewa is partnering with SPCE, Mumbai in prestigious World Bank Funded Project, TEQIP-III.

Advisory Committee

Dr. S. S. Umale,
HoD – Mechanical Engg., SPCE

Dr. Anupa Sabnis,
HoD – Electrical Engg., SPCE

Prof. A. A. Bage
HoD – First Year, SPCE

Patrons

Dr. M. M. Murudi,
Principal, SPCE, Mumbai

Dr. B. K. Agrawal
Principal, REC Rewa, MP

Organizing Committee

Dr. S. B. Rane
Dean, Academics, SPCE

Dr. Kiran Bhole
Dean R & D, SPCE

Dr. P. P. Nagrale,
Dean Finance, SPCE

Coordinators

Dr. Rahul T. Dahatonde,
TEQIP-III Coordinator, SPCE, Mumbai
