Scheme for F.Y.B.Tech. In Electrical Engineering with Minor in [****], (Semester - II) R23
Academic Year 2023-24

L: Lecture   P: Practical   T Tutorial   T1: in semester test 1   T2: In semester test 2   IE: Internal Evaluation

Evaluation for R23

1. T1, T2: The courses under the category "Theory courses" and "Ability Enhancement Courses". the evaluation is based on Test of 15 points each for one hour duration. Tentatively the first two modules of the course content will be covered in T1 and third and fourth modules of the course content will be covered in T2. Any change in the same will be informed by the course instructor.
   The courses under the category "Skill Enhancement", "Value Education" and Indian Knowledge system", the evaluation is based on activity (Presentation, Test, Mini project, Field project, Practical Examination) of 15 points each.

2. IE: Internal Evaluation will be carried out by course instructor for 20 points. It is the continuous evaluation through out the semester. The evaluation will be based on minimum three of the following activities decided by course instructor. The maximum points that can be assigned to one activity will be 07. The course instructor needs to inform the students and head of the department about the activities those will be considered for IE and the points assigned to them in first week of semester. The course instructor will submit the internal evaluation points (out of 20 with activity wise break up) to examination section before the beginning of End Semester examination.
   List of Activities: 1. Class Involvement 2. Assignments 3. Problem Solving 4. Mini project 5. Quizzes 6. Presentation 7. Oral

3. End semester evaluation: The courses under the category "Theory courses" and "Ability Enhancement Courses". the evaluation is based on End semester examination of 100/50 points. **The end semester examination will cover all the modules of the course content.**
   The courses under the category "Skill Enhancement", "Value Education" and "Indian knowledge system", the evaluation is based on activity (Presentation, Test, Mini project, Field project, Practical Examination) of 50 points

4. Term Work: The evaluation is based on [05 points: Laboratory/Tutorial Attendance, 10 points: Assignments/ Laboratory work, 10 points: Quizes/ Presentation/ Practical Examination/ Mini project/Oral]

5. $$$$ The evaluation for Co curricular course/ activity shall be defined by course instructor or activity evaluator. The evaluation for 100 points will be carried out through out the semester and the grade Pass/ No pass will be awarded which will not be considered for CPI calculation.

Note: Refer Academic and Examination rules and regulations for further details.

Sardar Patel College of Engineering Andheri (West), Mumbai 400 058
Year: 2023-24

UG certificate:

The student who wish to Exit after first year and willing to get " UG Certificate" needs to earn additional 8 credits through

1. **Skill Enhancement course 1 [SE-BTE202] : 3 credits
2. **Skill Enhancement course 2 [SE-BTE203] : 3 credits
3. Internship/ Mini Project [PR-BTC201] :   2 credits

** The courses should be completed through SWAYAM/ NPTEL defined by the department

[****]   Multidisciplinary Minor

The institute will offer Multidisciplinary Minor from the following list based on the resources available. Each Minor is designed for 14 credits.. The students need to select the Minor in the beginning of semester IV.

- Minor in AI ML

- Minor in Management

- Minor in Computer Technology

- Minor in Telecommunication Engineering

- Minor in Data Science

- Minor in Electric Vehicle

- Minor in IOT

- Minor in Sustainable Engineering and Management

- Minor in Infrastructure management

- Minor in Geo informatics Technology

- Minor in another discipline [flexibility to complete from other institute.
