

ANNUAL INTERCOLLEGIATE DEBATE

Sardar Patel College of Engineering is hosting its 4th Annual Intercollegiate Debate Competition on 6th and 7th of October, 2016. The theme for the debate is 'LINES IN THE SAND'. A line in the sand is synonymous to new ideas, decisions and opinions, which are altered by new thoughts, innovations and the present! We hope to present a platform for young minds to nurture their debating skills. The topics of the debate will address the most relevant issues that mankind has ever come to meet.

A total prize money of Rs. 30,000 will be awarded to the winners and the best speaker.

Date: 6th and 7th October 2016

Venue: Seminar hall (room no. 119 and 114), Sardar Patel College of Engineering, Andheri West, Mumbai

Time: 9:30 am onwards
