INTRODUCTION OF GREEN CLUB IN THE INDUCTION PROGRAMME

March 11th, 2025

Date of the event: March 11th, 2025

Time of the event: 4 pm - 4:30 pm

Venue: Room no. 119

Number of participants : Around 180

- The Green Club of our college successfully conducted its orientation program on the 11th of March, 2025. The event aimed to introduce students to the club's objectives and activities, encouraging active participation in sustainability initiatives.
- The session commenced with a warm welcome by Ms. Sakshi Verma, the Vice-President of the Green Club for the consecutive year 2024-25 emphasizing the importance of environmental conservation.
- She then shared the purpose of establishment of the club and discussed about all the activities the club is going to hold this year. The first year students of academic year 2024-25 are members of the club by default according to the college administration.
- Dr. Reshma Ma'am was called forth to felicitate the previous committee with a certificate for working with the Green Club.

- Dr. Hansa Jeswani Ma'am, our master trainer conducted a quick and fun session and provided a great insight into how water conservation can be done effectively if resources are used the right way.
- She spoke about the Green Club (GC) establishment in Sardar Patel College of Engineering to facilitate Youth engagement and Water Stewardship among the students as per the MoU signed between higher and technical education with UNICEF.
- Dr. Reshma Raskar Ma'am, our faculty co-ordinator, threw light on the importance of The Green Club and guided the students regarding the MYCA course certification and the WhyWaste app and how it will affect the credit system.
- Lastly, Ms. Sakshi and Mr. Shantanu discussed the event calendar with the students and brought to their notice the events which are going to take place in the upcoming weeks.

Conclusion:

Students gained awareness about general preservation and protection of our natural resources as well as our WhyWaste app course and were encouraged to download the app. Students interacted with the youth committee and learned more about the committee and how it functions.

The orientation was a resounding success, inspiring students to take proactive steps toward sustainability. The enthusiasm displayed by participants reflects a promising future for the Green Club.

Students' active participation
