## SPSGIC : E-Waste Drive 2021-22

The Sardar Patel Sustainability and Green Initiative Chapter has started an E-Waste drive on 5th April 2022 which will go on till 19th April 2022. The students, teachers and staff are encouraged to bring E-waste from their homes and donate it into the boxes that the chapter has provided at the entrance. Students can bring mobile phones, batteries, computer hardware and peripherals, or small household appliances.

The Inventory of the college will also be cleared and all the E-Waste will be provided to a recycler recognised by the Maharashtra Pollution Control Board (MPCB).

The college will receive a certificate recognising the E-waste recycled.

1. The Principal inaugurated the E-waste Drive

2. Student and Faculty Co-ordinators
