IIIE-SPCE Student Chapter organized a webinar on 'Intellectual Property Rights' on 21st September 2020 at 6:00 pm. The speaker of the seminar was an eminent personality Mr. Vikas Asawat who is the Registered Patent and Trade Mark Attorney.

The webinar was organized under the guidance of Dr. Santosh Rane, Dean Academics and Faculty Advisor of IIIE-SPCE Student Chapter.

The commencement of webinar took place with a brief meeting of IIIE Dignitaries and introducing them to the Speaker. Various National Level authorities shared their experience and feelings in concern with webinar organised. Dr Santosh Rane introduced Dr Vivek Sunnapwar Secretary of IIIE, Dr Sanjay Bokade Chairman of IIIE Mumbai Chapter. Dr Vivek Sunnapwar appreciated the IIIE activities and encouraged IIIE-SPCE chapter student team.

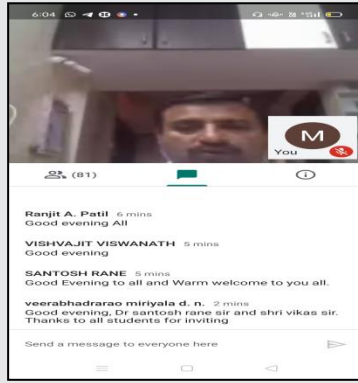

Dr Sanjay Bokade also recognised the IIIE activities in SPCE and encouraged IIIE-SPCE chapter student team.

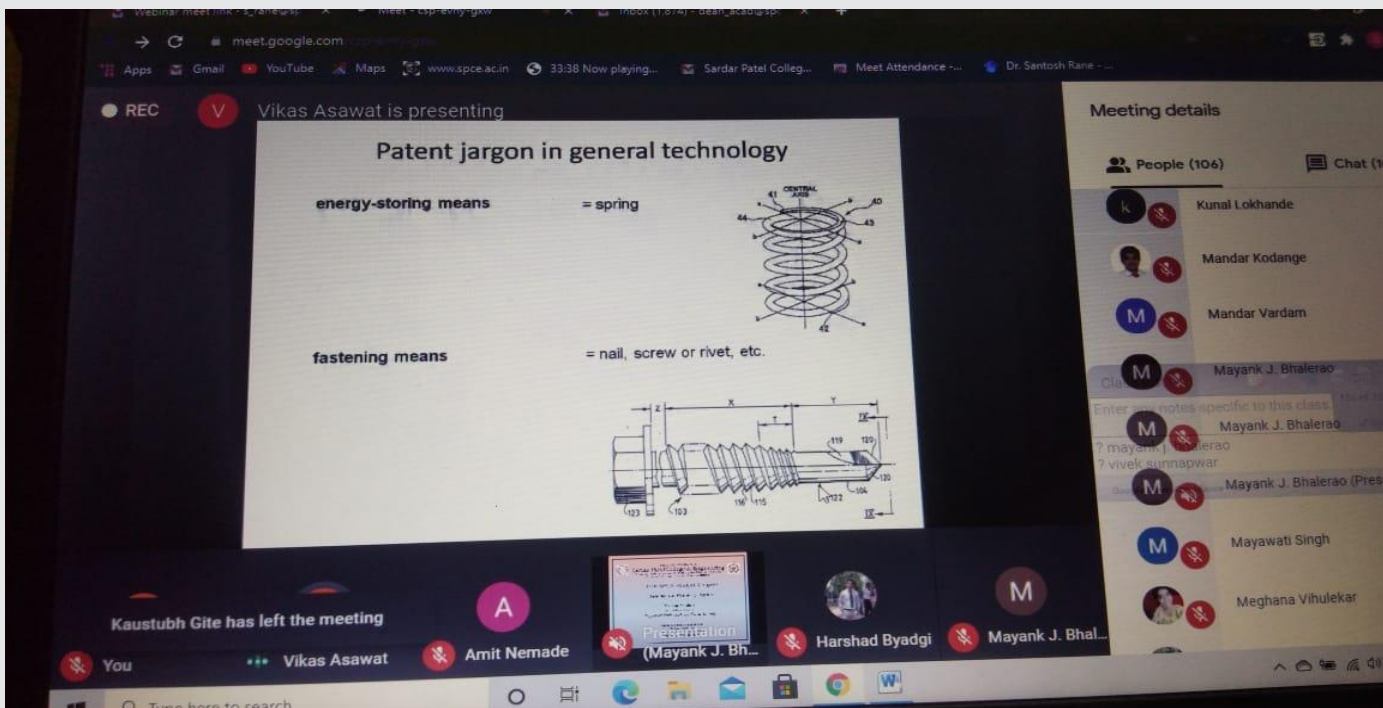

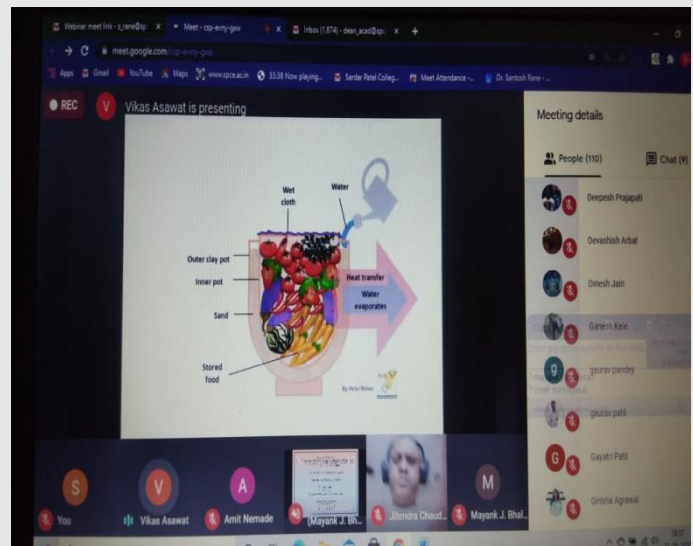

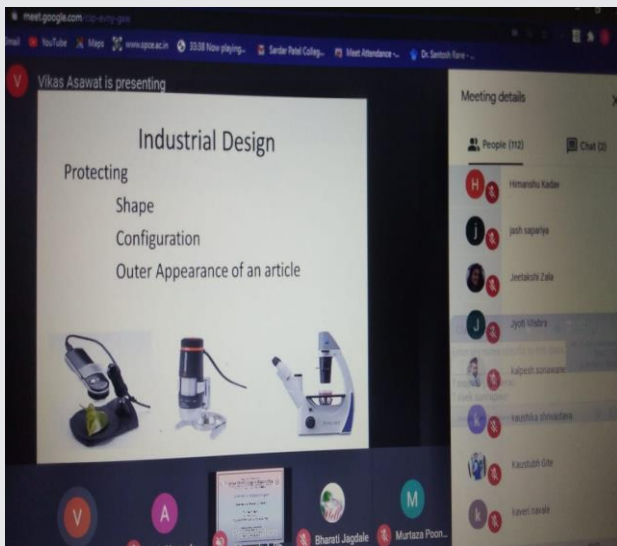

Mr Veerbhadra Rao, IIIE member also appreciated students for their efforts in organising the activities.

Then Dr. Santosh Rane welcomed all participants on the behalf of IIIE SPCE and then introduced the speaker Mr Vikas Asawat. Then he handled the further session to Mr. Vikas Asawat the eminent speaker of the webinar.

The speaker shared his magnificent knowledge and experience in the Patents and Intellectual Property Rights where he guided students about drafting the patents and what actually can be patented. This vast information regarding the field is essential in today's world where innovation led Start-Up's count every second. It is essential for the participants engaged in developing new concepts and products who should protect their ideas by patenting them or choosing suitable Intellectual Property Rights. The contents covered by him were the basics forms of IPR. He covered about copyrights, Trademarks and Patents by giving various real life examples. He also talked about various brands and gave knowledge about the salient features of IPR. He explained what can be patented and what cannot be patented as per rules. He talked about the terminology /jargons used in IPR.

The webinar was further enlightened by the interesting questions answer session in the last which gave true colors to the webinar and gave chance to young innovators to speak their doubts regarding innovation and its protection.

120 participants from various Institutions and industries attended the seminar. Participants enjoyed the webinar very much.

The webinar ended with vote of thanks given by Dr. Santosh Rane.
